

Personal information

Full name: Dhurgham Aziz Katia Rfish

Scientific degree: Lecturer

Address: AL-Najaf / Iraq

Telephone: +9647817320098

Mobile: +9647749410969

E-mail: Dhurghamaziz417@mu.edu.iq

Date of birth: 16/04/1985

Education and training

2007: B.Sc. Chemistry Science, Kufa University, Iraq.

2012: M.Sc. Organic Chemistry Science, Osmania University, India.

2023: Ph.D. Organic Chemistry Science, Kufa University, Iraq.

Work experience

2008-2009 AL-Najaf Al-Ashraf reconstruction commission unit

2013-Till Now A faculty member at Al-Muthanna University, College of Dentistry.

Published research(s)

2023: Journal of Population Therapeutics & Clinical Pharmacology "Synthesis, Characterization, and Study the Biological Activity of New Di- azetidinone Derivatives" Vol 30(7):e349–e359; 04 April 2023

2016: European Journal of Scientific Research, "Synthesis and Characterization of New Heterocyclic Compounds Derived from 4- Amino Antipyrine and Study of Biological Activity" Volume 142 Issue 2.
